Cassandra Ronning ~Event Coordinator

Whether you are looking for a space to host your next event or hosting a gathering that's grown too large for your own home, look no further.

We have a private event space located upstairs, or the

Brew House in the main dining hall for a more casual gathering.

Our spaces lend themselves to a multitude of events from Wedding Receptions, Rehearsal Dinners, & Showers to Office Luncheons, Family/Class Reunions, Birthday & Holiday Parties. Our private event space also works well for Meetings and Presentations.

Contact Cassandra today for an appointment to discuss your needs!
